

TROM 1.681

Publicado por CeltíberoClearco - 16 Feb 2010 14:47

Actualización del TROM, mapas incluidos, con estos cambios:

* Price changes in Custom Battles:

- Reduced cost Line Infantry, Grenadiers, Guard units

- Increased cost Cuirassiers

- Increased cost elite heavy cavalry

* Austrian Grenzer changed into musket armed light infantry (requires Light Infantry Doctrine); Jaeger are now equivalent to Riflemen

* Added internal regions in the campaign file for the DLC Elite Units of the East

* Added missing text strings for DLC Elite Units of the East

* Added text strings for Yarkis' unit variety submod and Ornamentum

En principio nada afecta al TROM 15.

Pongo el enlace en distintos servidores para ir descargando:
